CORPORATION OF THE CITY OF NANAIMO.

A By-Law to raise, by way of loan, the sum of fifty thousand dollars for the improvement of certain streets and squares in the City of Nanaimo.

WHEREAS it is expedient that the Municipal Council of the City of Nanaimo should provide for the permanent improvement of certain streets and squares in the said city;

And whereas it will be necessary, in order to effect the said improvements, to issue debentures of the said city for a sum of money not exceeding \$50,000;

And whereas it will require the sum of \$4,000 to be raised annually by a special rate for the payment of

the debt intended to be hereby created, and the interest thereon;

And whereas the amount of the whole rateable property of the said city, according to the last revised assessment roll, is \$575,543;

And whereas the total amount of the existing debt of the said city is \$7,500;

And whereas it will require an annual special rate of seven mills on the dollar for paying the interest, and creating an equal yearly sinking fund for paying the principal of the intended debt, according to the "Municipal Act, 1889;"

And whereas it is intended to reduce the general rate so that the said special rate shall not increase the total rate of taxation;

Be it therefore enacted, by the Mayor and Council of the Corporation of the City of Nanaimo, as follows:

1. That it shall be lawful for the Mayor of the city to raise, or cause to be raised, by way of loan from any person or persons, body or bodies corporate, who may be willing to advance the same upon the credit of the debentures hereinafter mentioned a sum of money not exceeding in the whole \$50,000, and cause the same to be paid into the hands of the Treasurer of the said Corporation for the purpose of the object above recited.

2. That it shall be lawful for the said Mayor to cause any number of debentures to be made for such sums of money as may be required, not less than \$100 each, and that the said debentures shall be sealed with the seal of the said Corporation of the City of Nanaimo, and be signed by the said Mayor, and countersigned by the City Clerk.

3. That the said debentures shall be made payable in 50 years at furthest from the day hereinafter mentioned for this by-law to take effect, at the office of the City Clerk of the Corporation of the City of Nanaimo, and shall have attached to them coupons for payment of the interest.

4. The said debentures shall bear interest at the rate of not more than six per centum per annum from the date thereof, which interest shall be payable half-yearly on the first days of January and July in each and every year.

5. For the purpose of forming a sinking fund for the payment of the said debentures, and for the payment of the interest thereon, an equal annual special rate of seven mills in the dollar shall be levied and collected, in addition to all other rates, in each year upon all the rateable property in the said city during the currency of the said debentures, or any of them.

6. It shall be lawful for the said Corporation from time to time to purchase any of the said debentures at such price or prices as may be mutually agreed upon between the holder of said debentures and the said Corporation, and all debentures so re-purchased shall be forthwith cancelled, and no re-issue of debentures shall be made in consequence of said re-purchase.

7. The proceeds of the debentures issued and sold under the authority of this by-law shall be absolutely set aside for and applied to the purposes hereinafter set forth, and all work paid for out of any of the proceeds of the said debentures shall, as far as practicable, be executed by contract.

8.
